(hereafter "Bryan")

SBH PROPERTIES, INC. File No. BPH-920123MD
(hereafter "SBH")

For Construction Permit
for a New FM Station on Channel 276A
in Tusculum, Tennessee

HEARING DESIGNATION ORDER

Adopted: August 3, 1993;

Released: August 31, 1993

By the Chief, Audio Services Division:

1. The Commission has before it the above-captioned mutually exclusive applications for a new FM station.¹

2. *Charter Filing.* In response to Item 3, Page 2, Section II of FCC Form 301 ("Legal Qualifications"), SBH indicates that its "Charter is in process of being filed." SBH shall submit an amendment detailing the date and place of filing of its Charter with the presiding Administrative Law Judge.

3. *Address.* Section II, Item 6 (new form) of FCC Form 301 (June 1989) requires that an applicant specify its address (number, street, city, state) as well as the home address of each of its principals. SBH has not completed Item 6 correctly. SBH's application gives a post office box number as the residence address for Leonard P. Hite. Accordingly, SBH must submit an amendment which gives all the information required by Section II, Item 6 to the presiding Administrative Law Judge after this Order is released.

4. *Late-Filed Amendments.* The applicant below has petitioned for leave to amend its application on the date shown. The accompanying amendment was filed after the last date for filing amendments as of right. Under Section 1.65 of the Commission's Rules, the amendment is accepted for filing. However, an applicant may not improve

its comparative position after the time for amendments as of right has passed. Therefore, any comparative advantage resulting from the amendment will be disallowed.

AMENDMENT FILED
10/22/92.

5. *Comparative Coverage.* Data submitted by the applicants indicate there would be a significant difference in the size of the areas and populations which would receive service from the proposals. Consequently, the areas and populations which would receive FM service of 1 mV/m or greater intensity, together with the availability of other primary aural services in such areas, will be considered under the standard comparative issue for the purpose of determining whether a comparative preference should accrue to any of the applicants.

6. *Conclusion.* Except as may be indicated by any issues specified below, the applicants Bryan and SBH are qualified to construct and operate as proposed. Since the proposals are mutually exclusive, they must be designated for hearing in a consolidated proceeding on the issues specified below.

7. **ACCORDINGLY, IT IS ORDERED**, That, pursuant to Section 309(e) of the Communications Act of 1934, as amended, the Bryan and SBH applications **ARE DESIGNATED FOR HEARING IN A CONSOLIDATED PROCEEDING**, at a time and place to be specified in a subsequent Order, upon the following issues:

1. To determine which of the proposals would, on a comparative basis, better serve the public interest.
2. To determine, in light of the evidence adduced pursuant to the specified issues, which of the applications should be granted, if any.

8. **IT IS FURTHER ORDERED**, That SBH shall submit the information specified in Paragraph 2 above, to the presiding Administrative Law Judge within 30 days of the release of this Order.

9. **IT IS FURTHER ORDERED**, That SBH shall submit an amendment which contains the information required by Section II, Item 6 (new form) of FCC Form 301, to the presiding Administrative Law Judge within 30 days after the release of this Order.

10. **IT IS FURTHER ORDERED**, That the petition for leave to amend filed by SBH (10/22/92) **IS GRANTED**, and the corresponding amendment **IS ACCEPTED** to the extent indicated at Paragraph 4 above.

11. **IT IS FURTHER ORDERED**, That a copy of each document filed in this proceeding subsequent to the date of adoption of this Order shall be served on the counsel of record in the Hearing Branch appearing on behalf of the

¹ On January 23, 1992, Roger D. Bouldin and Raymond Deakins ("Bouldin") filed an application for the Tusculum allocation (BPH-920123ME). The application was returned on April 17, 1992 by the Chief, FM Branch as unacceptable for tender. On May 18, 1992, Bouldin filed a petition for reconsideration of that action. The Bureau has referred the Bouldin petition to the Commission, pursuant to 47 C.F.R. § 1.104(b), as part of an effort to expedite the final resolution of all cases involving applications subject to the Commission's previous "hard look" rules.
